Virtual Conference 2020

TNOTA's annual conference is attended by over 200 occupational therapy practitioners, educators, and students each year. It is the largest annual gathering of occupational therapy practitioners in Tennessee. In 2020, due to COVID-19, we are hosting all conference sessions virtually. We expect increased attendance at these events due to ease of access for practitioners and students.

Conference will be held the week of August 22-27, with 1-2 sessions held each evening.
