## EXAM PREP TOOLS

NBCOT Aspire is a suite of tools to help you prepare for the certification exam.

### Self-Assessment Tool..... FREE

Start with a self-assessment to identify your areas of strengths and learning needs. Use the tool to boost your study plan.

### Exam Content Outline..... FREE

The Content Outline breaks down the domains of the exam and provides information on the content and number of questions in each domain area.

### Illustrated Guide of Entry-Level Practice ..... FREE

The guide contains sample scenarios across a variety of practice settings that depict the tasks OTRs and COTAs complete in practice. Alongside each scenario is a description of the knowledge required to competently perform a task.

### NBCOT Exam StudyPack..... \$75.00

A comprehensive collection of the Aspire tools, as well as tools exclusive to the StudyPack: Pre-Test, Mini Tests with answers and rationales, Practice Sims, and a Full Practice Exam that includes the same number of questions you will receive on your test day.

NBCOT does not guarantee enhanced performance on the NBCOT certification exam for those using these products.

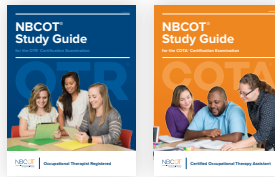

### Flashcards ..... \$15.00

Review practice-related content that is relevant to each domain of the exam. Sort cards into piles to easily manage terms to review.

### Knowledge Match Game ..... \$9.00

Test your speed and recall ability to match knowledge statements to correct categories in each domain of the exam.

### Study Guide (hard copy).....\$60.00

### Online.....\$40.00

Includes even more practice questions with answers, rationales, and references. Take advantage of the valuable test-taking strategies and tips on how to prepare for the exam.

### Practice Tests .....\$30.00

The only practice tests that provide a scaled score just like the real exam. Questions reflect current exam content and mirror the format and flow of the exam.
